Avison Young New Jersey Announces Three Promotions

Leading Commercial Real Estate Services Firm Advances Three Top Performers

Jeffrey L. Heller, Avison Young, Principal and Managing Director of the New Jersey office, is pleased to announce that company professionals, **Matthew C. Turse, Timothy J. Cadigan** and **Timothy D. Lohmann** have each received promotions based on their exceptional performance.

Turse and **Cadigan** were both promoted from Vice President to **Senior Vice President** of Industrial Brokerage. With a combined 40 years of commercial real estate experience, Turse and Cadigan have lead the industrial brokerage practice within Avison Young.

After only two years with Avison Young, **Lohmann**, has been elevated from Associate to **Senior Associate** of Office Brokerage. Lohmann is one of the leading professionals of Avison Young's *Young Guns* program, that develops and implements real solutions to issues faced by young professionals and to support them in moving their careers forward on the path toward becoming a Principal at Avison Young.

"Avison Young is committed to the professional growth and development of our team," said **Heller**. "These advancements reflect both the considerable contributions these three individuals have made to our firm as well as their dedication to outstanding client service. These talented professionals will continue to keep Avison Young at the forefront of our industry; we congratulate them on their well-deserved promotions and look forward to their future success."

Avison Young is the world's fastest-growing commercial real estate services firm. Headquartered in Toronto, Canada, Avison Young is a collaborative, global firm owned and operated by its principals. Founded in 1978, the company comprises 2,400 real estate professionals in 79 offices, providing value-added, client-centric investment sales, leasing, advisory, management, financing and mortgage placement services to owners and occupiers of office, retail, industrial, multi-family and hospitality properties.
