Eastern Union Funding's New Affiliate Broker Division Reaches Over 500 Sales Brokers Signed Up

(Howell, NJ – November 13, 2017) - Eastern Union Funding (Eastern), one of the most active commercial real estate mortgage brokerage firms in the nation, has announced that their new Affiliate Broker Division has signed-up over 500 commercial real estate sales broker affiliates from over 350 firms across the country since the launch of the program two months ago.

The Affiliate Broker Division at Eastern Union is a free, no-obligation service, offered to real estate brokers nationwide in which Eastern Union provides access to real-time financing intelligence for debt and equity and underwrites listings for brokers to present both properties and financing information to their potential buyers. In addition to providing contact information for real estate professionals, the Affiliate Broker Division also markets each broker's public listings to Eastern Union Funding's large platform of clients who then have the ability to contact brokers directly. There is absolutely no fee, obligation, or tie-in to use Eastern Union Funding for any deal that is serviced.

In honor of this milestone, the Affiliate Broker Division will be giving away FREE iPhone X's between today and years end. All commercial real estate sales brokers both within the affiliate broker division and across the country are eligible to enter.
