The firm's latest promotions include:

- **Patrick Ventker, LEED AP, RIBA** has been named Team Principal. He has over 20 years of experience which ranges from corporate interiors to large-scale infrastructure projects and master planning for projects throughout the U.S., Europe, and Asia. Landmark projects in his portfolio include AQR Capital Management, Fortress Investment Group, and Morgan Stanley in New York City, and Bank of Montreal in Toronto, New York City, and Jersey City. Patrick studied architectural design at Bauhaus-Universitaet in Weimar, Germany, and earned a diploma-Engineer of Architecture at RWTH University in Aachen, Germany.
- **Jamie Feuerborn, LEED AP** has been named Senior Associate. Jamie has more than 15 years of experience in workplace consulting, interior design, and project management. As Director of Workplace Strategy, she also has experience in change management, helping businesses to organize their transition into new environments. Jamie connects clients' business strategy with their physical environments, uncovering their needs through visioning sessions, focus groups and research. Landmark projects include Altice, American Express, Publicis, and Foot Locker.

Jamie is a member of CoreNet Global. She holds a bachelor's degree in interior design from Kansas State University.

- **Johnny Rodland** has been named Senior Associate. He is a team leader with more than 30 years of architectural experience managing corporate interior and retail installations for clients in the financial, media, health and wellness, and professional services industries. He is currently working on offices for AstraZeneca Pharmaceuticals in Ontario and Wilmington, DE, and counts Taconic Capital Advisers, FactSet, and Sony Music Entertainment among his past work. Johnny received a bachelor's degree in architecture from The City College of New York.

TMA also promoted four of its staff to associate:

- **John Herrera** is a Team Leader with more than 27 years of experience in architecture, interior design, and project management, specializing in the commercial and retail sectors. He has completed projects for the Durst Organization, LeFrak Organization, Major League Baseball, Institutional Investor, Tiffany & Co., and Kaplan. John received associate's degrees in architectural technology from New York Technical College and in accounting from the Borough of Manhattan Community College.
- **Andrés Navia** is a Team Leader who offers more than 15 years of work in architectural design and project administration. He has managed a range of architectural projects for the retail, transportation, commercial, high-end residential and corporate interior sectors. Recent work includes spaces for Wolters Kluwer, MetLife, Altice, Credit Suisse, and Skanska. Andrés received a Bachelor of Architecture and Master of Science in civil engineering/construction management from New Jersey Institute of Technology.
- **Ray Sell** is a Team Leader who brings more than 18 years of customer-focused experience in architecture, interior design and project management, specializing in office interiors, high-end retail and residential spaces. Standout clients during his career include Rolex Watch U.S.A., JP Morgan Chase, The Dow Chemical Company, Durst Organization, and StonePeak Infrastructures. Ray received a Bachelor of Fine Arts in illustration from the School of Visual Arts and an Associate of Arts in graphic design from SUNY Rockland.
