Fried Frank Establishes The Josh Mermelstein–Fried Frank Memorial Scholarship Fund

New York - Oct. 31, 2022 - During a recent event to celebrate the life of its beloved partner, colleague and friend, Josh Mermelstein, who passed suddenly in March 2021, Fried Frank has established the Josh Mermelstein – Fried Frank Memorial Scholarship Fund at Columbia Law School.

Mr. Mermelstein valued education, both Jewish and secular, and excelled during his time at Columbia and was always committed to giving back to the institution that provided him with his legal training. This scholarship, which has reached more than \$300,000 will help develop the next generation of great lawyers and offer support to deserving students.
