MCS adds MSI's leading property preservation services and capabilities to growing platform

Lewisville, TX – August 4, 2025 – [MCS](#) (or the “Company”), the national property services company founded in 1986, announced it has acquired property preservation company [MSI](#), uniting two of the industry’s market leaders and expanding the MCS national platform.

MSI’s suite of services and employees, as well as their clients and vendor network, will be integrated within MCS. The combination of the two long-term organization’s complimentary business offerings will reinforce the MCS national footprint and further position the company as an industry leader prepared to handle all future market conditions.

Based in Lewisville, TX, MCS delivers its suite of property preservation and related services to clients nationwide through an industry-leading service delivery model and an industry-leading technology platform.

“This acquisition boosts the MCS team capabilities and client roster and further enhances our reputation as the nation’s leading property preservation company,” notes Chad Mosley, President, MCS Mortgage Services. “We are always seeking to diversify and expand our platform and the MSI expertise, entrepreneurial mindset, and strong reputation aligned perfectly with MCS. MSI has a long track record of success, and we’re excited to combine our collective strength as we continue to create the best platform built for long-term growth.”

“This is an exciting announcement for MSI,” said Steve Stallard, MSI CEO. “MCS is the right fit and the right partner, and this will allow our clients to benefit from an expanded vendor network and technology that supports many of the largest banks and servicers in the country. We are pleased to join forces with an organization that shares our focus on superior servicing and execution.”

Headquartered in Fort Worth, TX, with additional operational sites in Des Moines, IA and Jacksonville, FL, MSI has provided a comprehensive suite of property inspection, property preservation, property repair management, violation abatement and REO asset management services to institutional clients nationwide for over 30 years. All the company’s services are offered nationwide, as well as in Puerto Rico, the Virgin Islands and Guam.
